The screenshot displays the IBM Cloud Dashboard interface. At the top, a dark navigation bar includes the IBM Cloud logo, a search bar, and links for Catalog, Manage, and the user's account (Kavin P's Account). Below this, the main dashboard area features a 'For you' section with six recommended cards: 'Build' (purple), 'Monitor your resources', 'Get Started with Watson Studio', 'Create and deploy an application', 'Get started with Continuous Delivery', and 'Use Watson Assistant'. Each card provides a brief description and a 'Getting started' button with a time estimate. To the right of these cards is a 'quickStart.optionSelect' dropdown. Below the 'For you' section, there are four more cards: 'News' (with a 'View all' link), 'Recent support cases' (with a 'View all' link), 'Planned maintenance' (with a 'View all' link), and 'IBM Cloud status' (with a 'View all' link). The 'News' card shows two headlines: 'TrustRadius Best Software: Five IBM Offerings to Make the List' and 'Announcing IBM Cloud Pak for Network'.
